Demonstrator Application

The Winterville Marigold Festival invites local artists and groups to participate by demonstrating arts & crafts at the Festival. We are pleased to offer space where you can demonstrate, provide information, and promote your group and your craft.

Again this year we will have an “Eco Village” showcasing environmental organizations and their important ecological solutions for the local and regional communities. If your demonstration might fit in this area, please use the Eco Village Application instead.

If you provide a website address below we will put a link to your website on MarigoldFestival.com

No loud speakers, amplified boom boxes, or portable bullhorns are allowed.

Any points not covered elsewhere in this document are subject to settlement by Festival Management.
