If you desire to be in the same general location as you were last year or have any special needs as to booth location, please indicate that on this application. We will do our best to accommodate your request but cannot guarantee specific locations. We cannot make changes to booth assignments at check in.

General Rules & Regulations for All Vendors:

We reserve the right to determine the location of booths to maximize variety.

Any electric generator used on site must be quiet so as not to distract the stage performances or neighboring vendors. Festival Management will have sole discretion in determining if any electric generator is noisy and may order its removal from the Festival area. No loud speakers, amplified boom boxes, or portable bullhorns are allowed.

Any points not covered elsewhere in this document are subject to settlement by Festival Management.

The organization being provided the booth space is responsible for any harm, bodily damage, or property damage from or to their equipment, materials, employees or volunteers.

In the event of unforeseen problems at the site, we agree to comply with the requests of the Festival Management or public officials (police, fire) to alter operations or move to another booth space as deemed necessary by these authorities. My organization agrees to indemnify and hold the City of Winterville and Winterville Marigold Festival, Inc. harmless for any claims, losses, or liabilities arising from our own acts, omissions, negligence, or misconduct.

The City of Winterville and Winterville Marigold Festival, Inc. or its agents or assigns are not responsible for any personal injury to the applicant or its agents, or for the safety of the exhibits against theft, fire damage, accidents or other causes. The applicant is encouraged to take all steps, measures, and precautions as necessary to protect its agents, exhibits, displays and property against all possible injury, damage, loss or destruction, during set-up and breakdown, during festival hours, and during non-festival hours.

With my signature I affirm that I have read and agree to the terms of the Non-Profit Booth Application, understand them, and will comply with these terms and all Festival logistics requirements. I understand that any violation of these rules and regulations will void the agreement for booth space. The Winterville Marigold Festival reserves the right to terminate the agreement for booth space and written notice to terminate the agreement is not required.

With my signature I hereby release and agree to hold harmless the Winterville Marigold Festival, Inc., the City of Winterville, and any volunteers from any damage to the undersigned's property or any personal injury which he/she or helpers may sustain while participating in the Marigold Festival.
